

ACEC CA - BAY BRIDGE CHAPTER

Second Annual

ENGINEERING EXCELLENCE AWARDS

Rules and How to Submit Your Project

- Projects must be in the nine-county SF Bay Area Region: (San Francisco, San Mateo, Santa Clara, Alameda, Contra Costa, Solano, Napa, Sonoma, and Marin), and applicants must be a member firm of ACEC CA
- Already submitted to the ACEC CA EEA this year? Great! The *same* application documents will be accepted for our Chapter EEA [ACEC CA EEA official entry form](#)
- In lieu of the Small Project category, the BBC will present an award to the best project that was led by an SBE/DBE firm *In order to qualify, firms **must** be certified by a California agency as an SBE or DBE at the time of submission*
- Awards will be made to one project in each category. We will use the same 12 categories as the ACEC CA EEA
- Submissions are due Tuesday, November 9, 2021, 5PM [Email submissions here](#). Winners will be announced by November 24
 - The application fee is **\$200** for regular ACEC CA Member firms and **\$50** for SBE/DBE certified member firms and can be paid [HERE](#)
 - All proceeds will support BBC's Scholarship Program
 - Winners will receive **one free ticket** to our Holiday Lunch Event on Tuesday, December 7, at Scott's Seafood in Oakland where all EEA and Recognition Awards recipients will be announced
