

ACEC CA - BAY BRIDGE CHAPTER

Third Annual

ENGINEERING EXCELLENCE AWARDS

DEADLINE: TUESDAY, NOVEMBER 9!

Rules and How to Submit Your Project

- Projects must be in the nine-county SF Bay Area Region: (San Francisco, San Mateo, Santa Clara, Alameda, Contra Costa, Solano, Napa, Sonoma, and Marin), and applicants must be a member firm of ACEC CA
- Already submitted to the ACEC CA EEA this year? Great! A shortened version of that application and similar documents will be accepted for our Chapter EEA
- In lieu of the Small Project category, the BBC will present an award to the best project that was led by an SBE/DBE firm
*In order to qualify, firms **must** be certified by a California agency as an SBE or DBE at the time of submission*
- Awards will be made to one project in each category. We will use the same 12 categories as the ACEC CA EEA
- **DEADLINE** is Tuesday, November 9, 5PM
Submissions Rules and Entry Form can be found [HERE](#).
Winners will be notified by November 15

- The application fee is **\$200** for regular ACEC CA Member firms and **\$50** for SBE/DBE-certified member firms and can be paid [HERE](#)
- All proceeds will support BBC's Scholarship Program
- Winners will receive **one free ticket** to our Holiday Lunch Event on Thursday, December 1, at Scott's Seafood in Oakland where all EEA and Recognition Awards recipients will be announced
